**NAASC
Annual Meeting

President's Message

Greetings:

First of all, I wish to express my appreciation to all chapters that sponsored receptions during the summer months for new and returning students as well as their parents. Such occasions are special times for the Association for it affords an opportunity to extend the Spelman sisterhood to the new students, spread the Spelman spirit to our invited guests, and fellowship with our sisters. And, for many chapters this special "send off" is an opportune time to award the chapter's scholarships and book awards, as well as give gifts to the students. I'm sure that the students and parents were appreciative of your hospitality and your generous philanthropy.

On September 9th at the New Students Orientation, which was held in Sisters Chapel, I had the opportunity, as NAASC president, to proudly announce, individually and collectively, all local chapters' scholarships, book awards, and gifts. To date, the cash awards to members of the class of 2011 totals more than \$25,000. I am aware that some chapters still have plans to make awards during the fall so I know that this figure will increase, and I want to applaud all chapters for their fundraising efforts so that money is available to support the students. At the same event, I also announced to the new students that the NAASC Ex-

ecutive Committee passed a motion in May to donate \$1,500 to the College for specific bathroom accoutrements in the freshmen residence halls. I also reiterated to the students that the gift was given to enhance their comfort and convenience.

By now, many of you have seen both of Dr. Tatum's open letters to the students. As keepers of the culture, alumnae support to Dr. Tatum's communication was most positive. And I encourage that we act individually and collectively by talking to our sisters, daughters, cousins, nieces, and friends about decorum, behavior, attitude and appropriate attire befitting a Spelman women. I also encourage local chapters to send communications to students they recruited, as well as to the scholarship and book award recipients restating the importance of appropriate demeanor in all aspects of student life at Spelman. As alumnae, we must be seen as supporting the entire being of our students and not limiting ourselves to the financial and material aspects.

Lastly, I must bring you up to date concerning progress on resolution of the issue of voting rights for the Association's president in her participation on the Board of Trustees. On October 19th, members of the NAASC Executive Committee will have an opportunity to meet with the Board of Trustees at a reception in

Reynold's Cottage. I am pleased to say that members of the Executive Committee are taking their tasks seriously and we are planning a strategy so that we can present our position to the Board members. The Association's 116 year history demonstrates that we have earned Board voting privileges as the only official alumnae organization that partners with and supports the College through financial gifts, student recruitment, and community service.

I wish the entire membership a productive year and I trust that you will continue to support the College individually and collectively through chapter involvement.

Sisterly,

Marian Rucker-Shamu, '65
President

Merit Award Recipients

Mary Lynne Diggs and
Laura Burton Odom.

Mary Lynne Diggs
Class of 1977

Mary Lynne Diggs, a granddaughter, has distinguished herself in the field of child development. On behalf of 12,000 young children in South Carolina whose families live below the poverty line, she currently serves as the of State's Head Start Collaborator. Since 1996, Mary Lynne's role is to help the State Administrators and Governor improve the lives of young children through partnerships. In 2004, she was recognized as Advocate of the Year by the South Carolina Fatherhood Practitioners Network and in 2006 she received the South Carolina Dental Association Collaboration Award.

While a student, her leadership and service were evident. She served as Student Government Parliamentarian, and conducted the election of the first student trustee. However, one of her most memorable moments must be her participation in the lock-in of 1976. For that very act changed the waters for Spelman and set us on a new course.

Upon graduation in 1977, Mary Lynne became active in the National Alumnae Association. In 1984, she was elected first president of the Columbia, SC

Chapter; shethen went on to serve as president of NAASC in 1992. Since 2004, she has served as chair for constitution and by law committee for NAASC.

Laura J. Burton Odem
Class of 1968

Laura is a retired employee from the County of Los Angeles Dept. of Human Resources with 36 years of service. She now works part-time in the County Fire Dept. in the Examinations Unit.

Laura has faithfully served the National Alumnae Association of Spelman College at the local, the regional, and the national levels. Laura has served as President of the Los Angeles Chapter for multiple terms and has held various positions on their Board and currently serves as chapter's Treasurer.

In 2006, she was given the distinct honor by her chapter as the "Alumna Honoree" at the 12th Annual Sisters Award Rhapsody in Art Jazz Brunch. She also represents Spelman on the UNCF Los Angeles Inter-Alumni Council and works on their Annual Martin Luther King, Jr., Breakfast Committee which hosts 1000 guests at this annual event.

At the NAASC Executive Board Level, Laura has served on various committees over the years, and she currently serves as the Far West Regional Coordinator and as Credential Committee Chair. Laura

does not let distance deter her in her attendance as she regularly travels from Los Angeles to Atlanta to attend Association meetings and other College events.

Looking back to her College days, her leadership capabilities were evident for she was elected by her classmates to serve as Junior Class President and was elected by the student body to serve as the SGA President during her senior year.

Laura is very active in civic, community and church activities in Los Angeles. She is a loyal member of the Westminster Presbyterian Church in Los Angeles and received the 2005 Award from the Women's Association Myrtle Coleman Circle for dedicated service. Also, she chaired the Pictorial Directory Committee during her church's centennial celebration.

Among her civic and community service affiliations, are: Jack and Jill, Inc; Black Women's Network, and Questionettes. On April 20th, 2007, Laura was initiated into the Century City Alumnae Chapter of Delta Sigma Theta Sorority, Inc.

HALL OF FAME

The recipient for the Hall of Fame is Marguerite Simon, Class of 1935, a diamond daughter.

Miss Simon attended Spelman High School and, in 1931 she was accepted into the College. During her college days, she was a designated leader serving

Hall of Fame Merit Award Winners (con't)

as class president in both her sophomore and senior years. In 1943, President Read asked Miss Simon to return to Spelman as a physical education and health instructor. In 1980 after 37 years of service Miss Simon retired from teaching but continued to work on behalf of the College.

She is the recipient of many awards. In 1985, the class of '49 honored her with an award in her name at her 50th reunion. In 1988, Dr. Cole presented her with the Founder's Spirit Award. In April 2005, the Margurite Simon Gymnasium in Read Hall was dedicated in her

honor and on May 17th 2007, the executive committee members voted unanimously to name her Historian Emerita of NAASC.

Her entire life exemplifies our motto: "Our Whole School for Christ". Since her return to Atlanta in 1943, Miss Simon has been a faithful member of the First Congregational Church. As a Sunday School teacher, she was interested in the children, their knowledge of the Bible, deportment, courtesy and respect.

When her sisters and friends make a telephone call to her to inquire about her

well-being, her usual response is "relatively well". All of us appreciate Miss Simon's positive attitude, her unconditional love towards her Spelman sisters, and her dedication to the College. We all look to her as the "gatekeeper of the culture and traditions at Spelman".
